Luxembourg Law Updated Version

RespectUs has published the 1 Jan 2022 update of the 2018 Luxembourg law and regulation on export control

The consolidated version, in French (official) and English (unofficial translation) language, is the only one available in the market.

The update of 1 January 2022 considers and integrates the EU Dual-Use Recast Regulation 2021/821 of 20 May 2021, which is directly applicable in Luxembourg law. It comprises the export control law of 27 June 2018, the Grand Duke regulation of 14 December 2018

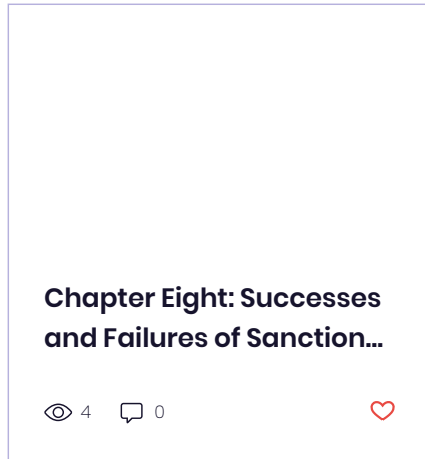

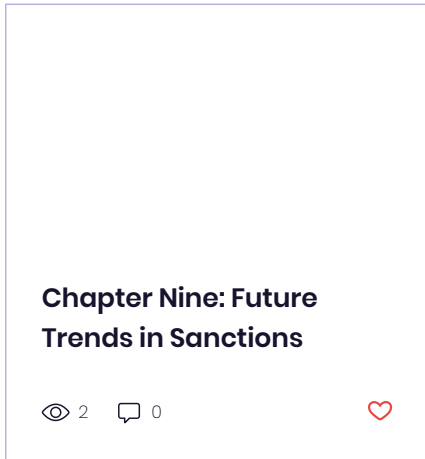

and the Grand Duke decree of 16 May 2019.

A German translation of the consolidated text, the first one ever done, will be available within the next 2 weeks.
